

BORAY KAŞKAVALCI

Mechanical Engineering Student

Phone: +90 (535) 366 39 26 | Email: boraykaskavalci@gmail.com

City, Country: Izmir, Türkiye

PROFESSIONAL SUMMARY

Mechanical Engineering student at Yaşar University with working knowledge of AutoCAD, Fusion 360 and MATLAB, backed by coursework in mechanical design, manufacturing processes, thermodynamics, heat transfer, materials science and energy efficiency. Completed an internship at ZF Lemförder and has two years of customer-facing experience as a Luxury Watch Specialist, with \$500K+ in total sales.

EDUCATION

Yaşar University - B.Sc. Mechanical Engineering

September 2022 - Present

- Used AutoCAD, Fusion 360, MATLAB and Microsoft Office in coursework and engineering projects.
- Coursework includes Thermodynamics, Heat Transfer, Machine Design, Materials Science, Manufacturing Processes and Energy Efficiency.

Bilfen Science High School - High School Diploma

September 2018 - June 2022

- Graduated with a 90 grade average.

WORK EXPERIENCE

Luxury Watch Specialist

2024 - Present

- Achieved \$500K+ in total sales.
- Sourced requested watches for clients within one week.

Mechanical Engineering Intern - ZF Lemförder, Izmir, Türkiye

August 2025 (1 month)

- One-month internship at an automotive supplier, gaining exposure to an industrial manufacturing setting.

TECHNICAL SKILLS

Design and CAD: Fusion 360, AutoCAD, Technical Drawing, Machine Design, Mechanical Design

Programming and Analysis: Python, MATLAB

Engineering Topics: Thermodynamics, Heat Transfer, Materials Science, Manufacturing Processes, Energy Efficiency

Project Management and Office Tools: Project Management, Microsoft Project, Microsoft Office

SOFT SKILLS

Attention to Detail, Problem Solving, Communication, Teamwork

LANGUAGES

Turkish: Native

English: Fluent

German: A1 (Beginner)

CERTIFICATIONS

- Short Range Radio Operator Certificate
- Amateur Sailor Certificate
